

SUMMER SCHOOL

IN CHILD AND ADOLESCENT MENTAL HEALTH

If you are interested in understanding child and adolescent mental health and the kind of work psychologists in practice do, then this course is for you!

The course will be "hands on" and the main tools for learning will be presentations, case discussions, role-plays and interactions.

27th May to 31st May | 9:30am to 1:30pm
Children First. A2/35, Safdarjung Enclave, Delhi.

Eligibility: Students from Class 11 & 12
and Under Graduation students.
