PANEL DISCUSSION ON

EXPLORING VIRTUAL CLASSROOMS FOR THE EARLY YEARS

Free Webinar for Parents, Teachers, Therapists, Special Educators, Counsellors, any professionals working with children & anyone who is interested in joining in the discussion.

This Webinar aims at combining Parent, Teacher and Therapist perspectives to:

- Map the journey of children, parents and teachers
- Reflect on the challenges and learnings so far
- Gather the collective experience
- Promote inclusion for all minds and celebrate Neurodiversity
- Explore future possibilities and scope for innovations
